CITY OF NEWPORT NEWS

OFFICE OF THE CITY MANAGER

March 4, 2010

TO: The Honorable City Council
FROM: City Manager
SUBJECT: Regional Boards, Committees, and Commissions Briefings

At your January 12, 2010 work session, we discussed the desirability of coming up with a more standardized way of sharing information and comparing notes regarding the many regional boards, committees, and commissions in which both Council and staff are involved. There was a consensus among Council for me to proceed with organizing such information on a quarterly basis as part of our work sessions.

I am pleased to announce that the first reporting of these entities will be at your March 9, 2010 work session. At this session we will have presentations by:

- Hampton Roads Partnership (HRP)
- Hampton Roads Economic Development Alliance (HREDA)
- Hampton Roads Planning District Commission (HRPDC)/
Hampton Roads Transportation Planning Organization (HRTPO)
- Hampton Roads Regional Jail (HRRJ)

The briefings and presentations will provide an overview of the organizations' history, main purpose, the context in which they operate in relation to the City, as well as, sharing their funding sources, allocations, activities and future trends. A senior representative from each agency will make a short presentation followed by an opportunity for your questions.
