COMMONWEALTH OF VIRGINIA
DEPARTMENT OF HEALTH

STATEMENT OF AGREEMENT WITH the Newport News City Council.

Under this agreement, which is created in satisfaction of the requirements of 32.1-31 of the *Code of Virginia* (1950), as amended, the Virginia Department of Health, over the course of one fiscal year, will pay an amount not to exceed \$3,034,976.00 from the state general fund to support the cooperative budget in accordance with appropriations by the General Assembly, and in like time frame, the City Council will provide by appropriation and in equal quarterly payments a sum of \$2,150,358.00. These joint funds will be distributed in timely installments, as services are rendered in the operation of the Peninsula Health District, Newport News Health Department which shall perform public health services to the Commonwealth as indicated in Attachment A(1.), and will perform services required by local ordinances as indicated in Attachment A(2.). Payments from the local government are due on the third Monday of each fiscal quarter.

The term of this agreement begins July 1, 2008. This agreement will be automatically extended on a state fiscal year to year renewal basis under the terms and conditions of the original agreement unless written notice of termination is provided by either party. Such written notice shall be given at least 60 days prior to the beginning of the fiscal year in which the termination is to be effective. Any increase or decrease in funding allocation shall be made by an amendment to this agreement.

The parties agree that:

- I. Under this agreement, as set forth in paragraphs A, B, C, and D below, the Commonwealth of Virginia and the Virginia Department of Health shall be responsible for providing liability insurance coverage and will provide legal defense for state employees of the local health department for acts or occurrences arising from performance of activities conducted pursuant to state statutes and regulations.
 - A. The responsibility of the Commonwealth and the Virginia Department of Health to provide liability insurance coverage shall be limited to and governed by the Self-Insured General Liability Plan for the Commonwealth of Virginia, established under 2.2-1837 of the Code of Virginia. Such insurance coverage shall extend to the services specified in Attachments A(1.) and A(2.), unless the locality has opted to provide coverage for the employee under the Public Officials Liability Self-Insurance Plan, established under 2.2-1839 of the Code or under a policy procured by the locality.
 - B. The Commonwealth and the Virginia Department of Health will be responsible for providing legal defense for those acts or occurrences arising from the performance of those services listed in Attachment A(1.), conducted in the performance of this contract, as provided for under the Code of Virginia and as provided for under the terms and conditions of the Self-Insured General Liability Plan for the Commonwealth of Virginia.

- C. Services listed in Attachment A(2.), any services performed pursuant to a local ordinance, and any services authorized solely by Title 15.2 of the Code of Virginia, when performed by a state employee, are herewith expressly excepted from any requirements of legal defense or representation by the Attorney General or the Commonwealth. For purposes of assuring the eligibility of a state employee performing such services for liability coverage under the Self-Insured General Liability Plan of the Commonwealth of Virginia, the Attorney General has approved, pursuant to 2.2-507 of the Code of Virginia and the Self-Insured General Liability Plan of the Commonwealth of Virginia, the legal representation of said employee by the city attorney, and the City Council hereby expressly agrees to provide the legal defense or representation at its sole expense in such cases by its local attorney.
- D. In no event shall the Commonwealth or the Virginia Department of Health be responsible for providing legal defense or insurance coverage for local government employees.
2. Title to equipment purchased with funds appropriated by the local government and transferred to the state, either as match for state dollars or as a purchase under appropriated funds expressly allocated to support the activities of the local health department, will be retained by the Commonwealth and will be entered into the Virginia Fixed Asset Accounting and Control System. Local appropriations for equipment to be locally owned and controlled should not be remitted to the Commonwealth, and the local government's procurement procedures shall apply in the purchase. The locality assumes the responsibility to maintain the equipment and all records thereon.
3. Amendments to or modifications of this contract must be agreed to in writing and signed by both parties.
