INSTRUCTIONS FOR PREPARING BUSINESS PERSONAL PROPERTY RETURN

GENERAL INFORMATION

WHO MUST FILE:

Any individual, partnership, corporation, or other entity owning or using tangible property located within the City of Newport News on January 1st, and used or available for use in any trade or business, including farm equipment must file a return.

WHAT IS TANGIBLE PERSONAL PROPERTY?

Tangible Personal Property is everything other than real estate. It includes furniture, fixtures, tools, machinery, computers, leasehold improvements (i.e. signs, canopies, underground tanks, etc.), leased equipment, hand tools, books and any other equipment used in a business or to earn income.

FILING EXTENSIONS:

Prior to the filing deadline, you may submit a written request for an extension, which is subject to approval by the Commissioner of the Revenue. The request must include a reasonable estimate of the original cost to be reported and a self-addressed stamped envelope.

METHOD OF ASSESSMENT:

Property's assessed value is equal to one third (1/3) of the reported total original cost. Business Personal Property tax rate: \$4.25 per \$100 of assessed value. This tax is not prorated; therefore, if the business was closed, sold or moved out of Newport News after January 1st, you are still liable for the tax for the full year.
