

Subcommittee Notes

November 18, 2003

Solid Waste Division

Issues:

- Amounts/household
- Time for pickup (# of people x pay)
- Cost for pickup/disposal
- Toxics
- Enforcement
- Education

Solutions:

- Longer time between pickups (larger cans?)
- Pickup on demand
- Incineration
- Increased recycling (more materials collected)
- Education
- Study of positive points from elsewhere
- More material/trucks
- Technology

Street Maintenance Division

Issues:

- Crime and Leaf Collection
 - Road Hazard/Pruning
 - Storm Drains
 - Appearance
 - Potholes

- Road Repair
 - Potholes/ongoing repair
 - Traffic lines/lanes

- Efficiency Evaluation
 - Workers
 - Supervision
 - Coordination of Street Projects
 - Training & Development
 - Overtime

- Budget
 - Capital Improvements
 - Equipment Purchase
 - Equipment Repair
 - Constraints
 - Needs

- Technology
 - Ideas
 - GIS
 - Trends
