Conditions and Instructions

RFP Rev. 09-09-08

1. All proposals must be submitted on and in accordance with this form. If more space is required to furnish a description of the commodities and/or services offered or delivery terms, the offeror may attach a letter hereto that will be made a part of the proposal. All proposals must be submitted in a sealed envelope plainly marked using RFP number, date and time.
2. It will be the responsibility of the offeror to see that his proposal is in this office by the specified time and date. Date of postmark will not be considered. Telephone, fax and verbal offers will not be accepted.
3. Prices, if requested, should be stated in units of quantity specified, less federal, state, and local taxes.
4. The offeror certifies by signing this proposal that this proposal is made without prior understanding, agreement or accord with any other person submitting a proposal for the same product or service and that this proposal is in all respects bona fide, fair and not the result of any act of fraud or collusion with another person engaged in the same line of business or commerce. Any false statement hereunder constitutes a felony and can result in a fine and imprisonment as well as civil damages.
5. In event of default by the offeror, the City reserves the right to procure the commodities and/or services from other sources, and hold the offeror liable for any excess cost occasioned thereby. If, however, public necessity requires use of materials or supplies not conforming to the specifications, they may be accepted and payment therefore shall be made at a proper reduction in price.
6. Availability of Funds: A contract shall be deemed executory only to the extent of appropriations available to each Department for the purchase of such articles or services. The City's extended obligations on those contracts that envision extended funding through successive fiscal periods shall be contingent upon actual appropriations for the following years.
7. The offeror guarantees to save the City, its agents or employees, harmless from liability of any nature or kind, for use of any copyright, composition, secret process, patented or unpatented invention, articles or appliances furnished or used in the performance of the contract, or which the offeror is not the patentee, assignee, or licensee.
8. All proposals must be signed with the firm name and by a responsible officer or employee. Obligations assumed by such signature must be fulfilled.
9. By signing this proposal, the offeror assigns to the City of Newport News any and all rights that he may have under the antitrust laws of the United States and the Commonwealth of Virginia in any way arising from or pertaining to this offer. This provision is remedial in nature and is to be liberally construed by any court in favor of the City of Newport News.
10. Appeals Procedure: Upon request, administrative appeals information will be provided which shall be used for hearing protests of a decision to award or an award, appeals from refusals to allow withdrawal of proposals, appeals from disqualifications and determinations of non-responsibility and appeals from decisions or disputes arising during the performance of a contract.
11. **Non-Discrimination:** During the performance of this contract, the successful bidder agrees as follows:
 - a. He will not discriminate against any employees or applicants for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except where one or more of these are a bona fide occupational qualification reasonable necessary to the normal operations of the contractor. The contractor agrees to post in conspicuous places available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause.
 - b. The contractor will be and state that he is an equal opportunity employer in all solicitations or advertisements for employees.

- c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.

The contractor will include the provisions of the foregoing paragraphs (a), (b) and (c) in every subcontract or purchase order of over ten thousand dollars so that the provisions will be binding upon each subcontractor or vendor.

12. This public body does not discriminate against faith-based organizations.

13. During the performance of this contract, the contractor agrees to (i) provide a drug-free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this subsection, "drug-free workplace" means a site for the performance of work done in connection with a specific contract awarded to a contractor in accordance with this subsection, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract

14. Direct contact with City Department, other than Purchasing, on the subject of this proposal is expressly forbidden except with the foreknowledge and permission of the contracting officer.
15. Assignment of Contract: A contract shall not be assignable by the Contractor in whole or in part without the written consent of the City of Newport News.
16. Applicable Law and Courts: Any purchase order/contract resulting from this solicitation shall be governed in all respects by the laws of the Commonwealth of Virginia and any litigation with respect thereto shall be brought in the courts of the Commonwealth. The Contractor shall comply with applicable federal, state and local laws and regulations. These Conditions and Instructions shall be applicable to the extent that they are non-contradictory to the proposal terms and/or instructions on the following pages. **The contractor certifies that he does not and shall not during the performance of the contract for goods or services in the Commonwealth, knowingly employ an unauthorized alien as defined in the Federal Immigration Reform and Control Act of 1986, as amended.**

Every business must register with the Virginia State Corporation Commission before transacting business in Virginia.

17. If City Hall is closed for business at the time scheduled for the proposal opening sealed proposal will be accepted and opened on the next business day of the City, at the originally scheduled hour.
18. If you have obtained this solicitation from our web page or from a source other than directly from the City of Newport News, it is the offeror's responsibility to check with our office prior to submitting your offer to ensure that you have a complete, up-to-date package. The Purchasing Department takes no responsibility to ensure any interested offeror has obtained any outstanding addenda

The original copy maintained at our offices, in the bid/proposal file folder, shall be considered the official copy. In the case of any inconsistency between bid/proposal documents submitted to the City, but not clearly listed on the exception page of the document as an exception by the offeror, the language of the official copy shall prevail. Furthermore, any exception or changes to the specifications made by the offeror may be cause to disqualify your bid/proposal.

19. **Contractor's License:** If any of the services promulgated under this solicitation consist of construction work, it is required under Title 54.1, Chapter 11, Code of Virginia for a contractor who performs or manages construction, removal, repair, or improvements when the total value referred to in a single contract or project is:

Seventy thousand dollars (\$70,000) or more, or the total value of all such construction, removal, repair or improvements undertaken by such person within any twelve-month period is five hundred thousand dollars (\$500,000) or more shall show evidence of being licensed as a **Class A Contractor**.

Seventy-five hundred dollars (\$7,500.00) or more, but less than seventy thousand dollars (\$70,000) or the total value of all such construction, removal, repair or improvements undertaken by such person within any twelve-month period is one hundred and fifty thousand dollars (\$150,000) or more, but less than five hundred thousand dollars (\$500,000) shall show evidence of being licensed as a **Class B Contractor**.

Over one thousand dollars (\$1,000) but no more than seventy-five hundred dollars (\$7,500) or the total value of all such construction, removal, repair, or improvements undertaken by such person within any twelve-month period is no more than one hundred and fifty thousand dollars shall show evidence of being licensed as a **Class C Contractor**.

The City shall require master certification as a condition of licensure or certification of electrical, plumbing and heating, ventilation and air conditioning contractors.

A valid business license from the City may be required. The offeror shall complete whichever of the following notations as appropriate:

"Licensed Class A Virginia Contractor No. _____."

"Licensed Class B Virginia Contractor No. _____."

"Licensed Class C Virginia Contractor No. _____."

20. Payment Terms:

- a) Payment terms shall be "**2%-20, Net 30 days**" unless otherwise stated by the offeror on this submittal form. Alternate terms may be offered by offeror for prompt payment of bills.
- b) Payment terms shall be considered in determining the low bidder/offeror.
- c) Discount period shall be computed from the date of proper receipt of the vendor's correct invoice, or from the date of acceptable receipt of the goods/services, whichever is latest.
- d) The payment terms stated herein shall appear on the vendor's invoice. Failure to comply with this requirement shall result in the invoice being returned to the vendor for correction.
- e) Late payment charges shall not exceed the allowable rate specified by the Commonwealth of Virginia Prompt Payment Act. (1% per month)

21. Insurance: The contractor shall maintain adequate liability insurance, which shall protect and save harmless the City of Newport News, Virginia, and its officials from all suits and actions of every kind and description arising from injury or damage to persons and property in the prosecution of said work or in failure to properly safeguard same, and from all claims arising under the workmen's compensation laws. The contractor shall furnish proof of said insurance *prior to commencement of services*. Separate forms, which name the City as additional insured and as alternate employer, must be included with the Certificate of Insurance. Forms (Insurance Endorsements) are available to download from the Purchasing website (<http://www.nngov.com/purchasing/resources/purchasingforms>). **Please make sure prior to submitting a bid that all insurance endorsements forms have been reviewed by your insurance carrier.**

The Commonwealth of Virginia requires construction contractors and subcontractors to obtain and maintain worker's compensation insurance while performing work on behalf for the City. Evidence of coverage needs to be provided prior to commencement of work.

22. Cancellation: The City may cancel the contract at its convenience, without penalty, at any time by giving thirty (30) days written notice or may cancel the contract immediately for violations of safety or rules of ethics. The City may cancel a contract thirty (30) days after the City has given a written request for a cure for vendor non-performance if

such cure has not occurred. Cancellation shall not release the vendor from legal remedies available to the City. If the contract is an extended term contract, after completion of the first contract period, either party may cancel the contract without penalty. Written notice of such termination shall be made a minimum of sixty (60) days prior to its effective date.

23. **Silence of Specifications:** The apparent silence of these specifications and any supplemental specifications as to any detail or the omission from the specifications of a detailed description concerning any point shall be regarded as meaning that only the best commercial practices are to prevail and correct type, size and design are to be used. All interpretations of these specifications shall be made on the basis of this statement.

**SMALL, MINORITY, WOMEN-OWNED
BUSINESS OBJECTIVES**

It is an important business objective of the City to promote the economic enhancement of small businesses (SBE), minority businesses (MBE), and women-owned businesses (WBE). The success of the City to track the amount of business received by SBE, MBE and WBE FIRMS (whether as a prime contractor or a subcontractor) is dependent upon the business community partnering with us in this important endeavor.

If you anticipate **sub-contracting** to any of these businesses in the performance of this contract, you are requested to individually report the total dollars for each business classification. Failure to report the dollars in the categories below may result in the application of stronger requirements being placed on bidders to assure that SBE, MBE and WBE firms receive benefits from City contracts.

Complete the following information and return the form with your package.

1) If you are a SBE, MBE or WBE, please check one of the following boxes:

SBE **MBE** **WBE**

2) In the spaces below, report the anticipated dollars that you intend to subcontract to each business type if a contract is awarded to your firm. (If you do not intend to sub-contract any work to others, even if you are a S/M/WBE, put zeros in the spaces below).

Total **SBE** Dollars to be Sub-contracted \$ _____

Total **MBE** Dollars to be Sub-contracted \$ _____

Total **WBE** Dollars to be Sub-contracted \$ _____

3) If you are not a SBE, MBE, or WBE and you do not plan to utilize such firms in this contract, please state your reasons:

GENERAL

The City of Newport News, Department of Public Utilities (Waterworks) (“City”) is seeking proposals from professional engineering firms (‘Engineer’) to perform the specialized services described, on the City’s water distribution pipeline. It is the intention of the Waterworks to procure the specialized service of a corrosion engineer to perform services such as: monitoring on its existing pipeline with corrosion control systems, design of new systems, training of personnel and trouble shooting of corrosion problems.

Waterworks supplies drinking water on a retail basis to approximately 405,000 persons on the lower Virginia Peninsula including the cities of Newport News, Hampton, Poquoson, and parts of and York County and James City County. The average daily demand of the system is approximately 44 million gallons per day (mgd). Water is distributed throughout a 250 square miles area through over 1,700 miles of pipeline located in the cities and counties of James City, York, Hampton, Newport News, Poquoson, and Williamsburg.

SCOPE OF SERVICES (ANTICIPATED)

Described below is a general outline of the specific type of work envisioned to be performed by the Cathodic Protection and Corrosion Control Engineer. This outline is intended as a guide for offerors to present their expertise for the services sought:

- 1) Service in coordination with a Project Design Engineer, for a transmission pipeline contract. This would include field-testing, design, construction quality control, acceptance testing, and warranty inspection.
- 2) Review of selected pipeline plans and specifications completed in-house or by consultants. This may include field evaluations and recommendations.
- 3) Initial and periodic inspections of pipelines with corrosion control systems. This would include new taps made on existing pipelines with cathodic protection (CP) or corrosion monitoring systems.
- 4) Preparation of concise reports with recommendations to assure the function of corrosion control systems. Quantify cost and benefits of all recommended corrosion control systems.
- 5) Review Waterworks’ existing corrosion control methods, equipment, and procedure. Assist in improving existing methods, equipment, procedures and records as needed.
- 6) Training of Waterworks personnel to perform routine maintenance such as monitoring of corrosion control systems.
- 7) Field check of existing pipeline corrosion control system before and after third party construction work in the area to document if damage to the system has occurred.
- 8) Coordinate with other utilities that have CP systems that cross or are near Waterworks pipelines to identify and recommend action to correct stray current problems.

- 9) Field evaluation of a specific pipeline failure to determine cause of failure. Written report to present analysis of field evaluation with a recommendation to address this type of failure.

CONTRACT VALUE

The annual value of the contract is not known but based on similar services in the past; value of the potential services is estimated to be a maximum of \$40,000 annually.

CONTRACT TERM

The initial term of this contract shall be for one year with options to renew, at the City's discretion, on an annual basis for up to four successive one (1) year periods. Written notice of intent to renew shall not be required. Issuance of a purchase order shall constitute exercise of the renewal option.

NOTE: The City operates on a fiscal year from July 1 through June 30. Purchase orders are good through the end of a current fiscal year. New purchase order(s) are issued at the beginning of each fiscal year to cover the remainder of the current contract period and/or subsequent renewal periods.

SUBMITTALS

Submit *one* original (conspicuously marked "ORIGINAL") and *ten* (10) complete copies of your proposal. Proposals shall be typed, bound (using an appropriate binder or cover, per copy) and organized in separately labeled sections or tabs, (clearly identified in a *table of contents*) as described in the paragraphs that follow. The proposal package should consist of no more than twenty-five (25) pages of text (including figures, resumes, and preprinted project descriptions, but not including a cover letter, section dividers, and the RFP document). Pages shall be consecutively numbered. To be considered substantive, the proposal must respond to all requirements of the RFP. The following information shall be included in the proposal package to be considered *responsive* to the Request for Proposals:

1. Project Understanding – This will present the consultant's understanding of services to be provided based on anticipated services presented.
2. Project Approach – This will present the consultant's recommended method to provide the anticipated services. Cost effectiveness should be a factor in the approach. This section should present the team experience and recommendations.
3. Project Team – Since this is a specialized engineering service, an organization chart must be provided that indicates all the personnel assigned to the work team. The qualifications of each member of the team must be provided. Minimum qualifications of the team shall include the following:
 - A. Corrosion Control Project Manager must be registered to practice engineering within the Commonwealth of Virginia and be certified by the National Association of Corrosion Engineers International as a Corrosion Specialist and a Cathodic Protection Specialist.

- B. Experience performing External Corrosion Inspections on cast iron pipe, ductile iron pipe, steel and pre-stressed concrete cylinder pipe.
 - C. Experience of applying and maintaining external corrosion control in the water industry.
 - D. Experience of the team working together on similar services.
 - E. Examples of similar contracts with other water utilities.
4. SBE, MBE, AND WBE (small business utilization) – Provide a statement of how your firm intends to utilize minority and female applicants during the course of this contract (Use the form provided on page 6 of the RFP document).
 5. The **Request for Proposal** document with any addenda acknowledgements filled out and signed as required. The person that signs the RFP shall have the authority to negotiate the full scope of services on behalf of the organization and shall be authorized to bind the contract to the terms and conditions of this RFP.
 6. A **cover/transmittal letter** that states the full name and address of the organization, (If your organization is a subsidiary of another organization, or an affiliate of another organization, state the name and address of each parent or affiliate organization). State the legal form of your organization (i.e., corporation, partnership, proprietorship, joint venture, etc.) and the legal domicile of such organization. State the number of years you have been in business under your present firm or trade name. Include the name, telephone number and address of the contact person for the submittal.

All proposals must be sealed and labeled to show the following:
