Brush and Limb Grinding Services

INTRODUCTION:

The City of Newport News (City) seeks to obtain proposals from qualified offerors to provide grinding services for brush, limbs, and logs generated by citizen tree pruning and storm damage. This Request for Proposals shall be the basis for establishing a blanket purchase order contract.

SCOPE OF SERVICES:

1. The contractor shall provide all equipment and personnel required to load and operate grinding equipment.
2. Sizing of processed brush/limbs shall be accomplished by utilizing grates or screens, integral to the grinder, having openings of approximately sixteen (16) square inches each. Note: Acceptable screen/grate perforations for this type of grinding will be 15-20 square inches (examples: 3"x5"; 4"x4"; 4"x5"; 4 1/2" round; 5" round; etc.) Sizing grates in this range produce an acceptable material for our use. Previously processed material is available for viewing if desired. Alternative grate/screen sizes that provide the same process sizing could be considered.
3. Grinding events will be scheduled when accumulation of brush/limbs has reached approximately 8,000 cubic yards (est. 8 weeks). Major storm events may result in increased stockpile size. Average annual generation, less major storm events, is 45,000 to 55,000 cubic yards per year.
4. City will provide equipment and personnel required to place brush/limbs adjacent to and within reach of, contractor's grinding/loading equipment.
5. City will provide all equipment and personnel required to remove processed material from discharge area of contractor's grinding equipment.
6. City will provide road tractor or loader as required to relocate contractor's grinder on site.
7. City will retain all processed material.
8. Material to be ground is collected curbside and may contain tramp metal or other items that could damage grinding equipment. The City of Newport News will not assume liability for damages caused by foreign material.

9. Price should be predicated on cubic yards of feed stock (raw brush/limbs). Calculated as follows:

Piles are 12' in height (average) x measured length x measured width divided by 27 cubic feet. The resultant number is the cubic volume of the stockpile to be processed. Volume per grinding event will be provided at the time a call is placed (subject to confirmation of vendor at time of arrival).

LOCATION OF MATERIAL:

All stockpiles to be processed are located within the City of Newport News. Unless otherwise specified, all stockpiles will be located at the Newport News Compost Facility. The facility is located at 550 Atkinson Way, Newport News, VA 23608. The site is open for inspection of material and site conditions Monday - Friday between the hours of 7:00 A.M. and 4:00 P.M. Phone: 757-886-7947 or 757-269-2853.

CONTRACT PERIOD:

The initial contract period shall begin at the date of award through February 28, 2011. At the City's option, the contract may be renewed up to four (4) years in one-year increments.

FIRM PRICING:

Prices shall remain firm for the initial contract period. The City reserves the right to negotiate reductions in the price due to changes in market conditions during the contract period and renewals.

PRICE ESCALATION/DE-ESCALATION:

Prices are to remain firm for the first contract period. In subsequent terms, the contractor may request, in writing at least sixty (60) days in advance of the contract ending date, an increase/decrease.

Should the City elect to exercise the option to renew the contract for additional year(s), the price increase for the additional year(s) shall not exceed the percentage increase of the "Services" category of the CPI-W SECTION OF THE COMSUMER PRICE INDEX of the United States Bureau of Labor Statistics for the latest twelve month for which statistics are available; however, shall not exceed 5% in any year.

Written notice and proof of price change to the seller shall accompany this notification, and must be approved by the City of Newport News. Adjustments will not be automatic. These new unit price(s) shall be reflected in the annual purchase order for the renewal period.
