Question Regarding RFP #2010-5994-0205: Legislative Liaison Services

Within the Scope of Services, is it contemplated that the Offeror provide lobbying services or is a distinction made between legislative liaison and lobbyist?

"The Offeror will provide lobbying services and work in conjunction with the City's legislative liaison. Occasionally the Offeror may be required to act in the capacity of a liaison, however, that role is primarily filled by a City staff person."
