CONDITIONS AND INSTRUCTIONS

Rev: 10/08/10

1. All bids shall be submitted on and in accordance with this form. If more space is required to furnish a description of the goods and/or services bid, or delivery terms, the bidder may attach a letter hereto that will be made a part of the bid. In case of conflict, the bid may be considered non-responsive. The City's published specifications shall supersede any additional writings submitted with the bid. Such writings shall be clearly marked and noted on the exception page.
2. All bids shall be submitted sealed, plainly marked showing the bid number, date and time. The entire solicitation document is to be returned when submitting a bid, unless otherwise directed by the bid document. Failure to return all pages may result in a determination that the submittal is non-responsive.
3. Bids and amendments thereto, if received by the Purchasing Department after the date and time specified for bid opening, will not be considered. It will be the responsibility of the bidder to see that their bid is received by the Purchasing Department as specified. There will be no exceptions. Date of postmark will not be considered. Telephone, facsimile, electronic and verbal bids will not be accepted. Prices or changes shown on the outside of an envelope will not be considered in determination of low bid.
4. If City Hall is closed for business at the time scheduled for bid opening, for whatever reasons, sealed bids will be accepted and opened on the next business day of the City, at the originally scheduled hour.
5. Receipt of your bid by the City is not to be construed as an award or an order to ship.
6. Each bid is received with the understanding that the acceptance in writing by the City of the bidder to furnish any or all of the goods and/or services described therein, shall constitute a contract between the bidder and the City, which shall bind the bidder to furnish and deliver the goods and/or services quoted at the prices stated and in accordance with the conditions of the accepted bid; and the City on its part to order from such bidder, except for causes beyond reasonable control; and pay for, at the agreed prices, all goods and/or services specified and delivered.
7. Bidders have the right to request withdrawal of their bids from consideration due to error by giving notice not later than two business days after bids are publicly opened. Work papers showing evidence of error(s) may be required. Upon request, administrative withdrawal procedures will be provided that shall be used for that purpose.
8. If issued, addenda to this solicitation will be posted on the Purchasing Department's website (www.nngov.com/purchasing). It is the bidder's responsibility to check the website or contact the Purchasing Department prior to the submittal deadline to ensure that the bidder has a complete, up-to-date package.
9. The solicitation document maintained by the Purchasing Department, in the bid file folder, shall be considered the official copy. In the case of any inconsistency between bid documents submitted to the City, but not clearly listed on the exception page of the document as an exception by the bidder, the language of the official copy shall prevail. Furthermore, any exception or changes to the specifications made by the bidder may be cause to disqualify your bid.
10. Award will be made to the lowest responsive and responsible bidder. The quality of the goods and/or services to be supplied, their conformity with the specifications, their suitability to the requirements, the delivery terms, qualifications and references will be taken into consideration in making an award. Length of time for delivery as well as price may be considered in awarding the bid.

Unless canceled or rejected, a responsive bid from the lowest responsible bidder shall be accepted as submitted; except that if the bid from the lowest responsible bidder exceeds available funds, the purchasing director may negotiate with the apparent low bidder to obtain a contract price within available funds.

Upon making an award, or giving notice of intent to award, the City will place appropriate notice on the public bulletin board located outside of the Purchasing Department at City Hall. Notice of award may also appear on the Purchasing Website: www.nngov.com/purchasing or www.demandstar.com.

11. The City reserves the right to reject any and all bids, and to waive any informality if it is determined to be in the best interest of the City.

12. If authorized by the bidder(s), the resultant contract(s) may be extended to any jurisdiction within the Commonwealth of Virginia to purchase at contract prices in accordance with contract terms. Any jurisdiction using such contracts shall place its own order(s) directly with the successful contractor(s). The City of Newport News acts only as the contracting agent and is not responsible for placement of orders, payment or discrepancies of the participating jurisdictions. It is the contractor's responsibility to notify the jurisdictions of the availability of contract(s). Bidders not desiring to sell to other jurisdictions under this clause shall so indicate in their response.
13. Prices shall be stated in units of quantity specified. No additional charges shall be passed on to the City, including any applicable taxes, delivery, or surcharges. Prices quoted shall be the final cost to the City.
14. All prices and notations should be in ink or typewritten. Mistakes may be crossed out and corrections made in ink and must be initialed and dated in ink by the person signing the bid.
15. In case of error in the extension of prices, the unit price shall govern.
16. The time of proposed delivery must be stated in definite terms. If time of delivery for different goods and/or services varies, the bidder shall so state.
17. Samples, when requested, must be furnished free of expense, and upon request, if not destroyed, will be returned at the bidder's risk and expense.
18. Unless qualified by the provision "NO SUBSTITUTE", the use of the name of the manufacturer, brand make or catalog designation in specifying an item does not restrict bidders to the manufacturer, brand, make or catalog designation identification. This is used simply to indicate the character, quality and/or performance equivalence of the goods and/or services desired. The goods and/or services on which bids are submitted must be of such character, quality and/or performance equivalence that it will serve as that specified. In submitting bids on goods and/or services other than as specified, bidder shall furnish complete data and identification with respect to the alternate goods and/or services that they propose to furnish.

Consideration will be given to bids submitted on alternate goods to the extent that such action is deemed to serve the best interests of the City. If the bidder does not indicate that the goods and/or services he proposes to furnish is other than specified, it will be construed to mean that the bidder proposes to furnish the exact goods and/or services described.

19. Any equipment delivered must be standard new and unused equipment, latest model, except as otherwise specifically stated in the bid. Where any part or the normal accessories of equipment is not described, it shall be understood that all the equipment and accessories that are usually provided in the manufacturer's stock model shall be furnished.
20. The apparent silence of these specifications and any supplemental specifications as to any detail or the omission from the specifications of a detailed description concerning any point shall be regarded as meaning that only the best commercial practices are to prevail and correct type, size and design are to be used. All interpretations of these specifications shall be made on the basis of this statement.
21. All bids must be signed by a responsible officer or employee having the authority to sign the form. The bidder agrees that its contract performance shall be in strict conformance with the contract documents.
22. By signing this bid, the bidder assigns to the City any and all rights that it may have under the antitrust laws of the United States and the Commonwealth of Virginia in any way arising from or pertaining to this bid. This provision is remedial in nature and is to be liberally construed by any court in favor of the City.
23. The bidder certifies by signing this Invitation for Bid that this bid is made without prior understanding, agreement, or accord with any other person or firm submitting a bid for the same goods and/or services and that this bid is in all respects bona fide, fair, and not the result of any act of fraud or collusion with another person or firm engaged in the same line of business or commerce. 24. **Hold Harmless and Indemnification:** The contractor shall defend, indemnify and hold the City, and City's employees, agents, and volunteers, harmless, from and against any and all damage claim, liability, cost, or expense (including, without limitation, attorney's fees and court costs) of every kind and nature (including, without limitation, those arising

This paragraph shall survive the termination of the contract including any renewal or extension thereof.

25. The contractor agrees to defend and save the City, its agents, officials, and employees, harmless from liability of any nature or kind, for use of any copyright, composition, secret process, patented or unpatented invention, articles or appliances furnished or used in the performance of the contract, or which the contractor is not the patentee, assignee, or licensee, to the same extent as provided in the above paragraph.

 - e) Late payment charges shall not exceed the allowable rate specified by the Commonwealth of Virginia Prompt Payment Act. (1% per month)
30. **Availability of Funds:** A contract shall be deemed in force only to the extent of appropriations available to each department for the purchase of such goods and/or services. The City's extended obligations on those contracts that envision extended funding through successive fiscal periods shall be contingent upon actual appropriations for the following years.

31. In event of default by the contractor, the City reserves the right to procure the goods and/or services from other sources, and hold the contractor liable for any excess cost occasioned thereby. Such actions taken by the City shall not release the contractor from additional remedies that may be allowed by law.

Written notice of termination shall be given to the other party a minimum of sixty (60) days prior to its effective date.

42. **Termination for Cause (Not applicable to contracts subject to the Department of Engineering Standard dated August 1, 1983, as amended, or the Department of Public Utilities “General Conditions”):**

In the event that the contractor shall for any reason or through any cause be in default of the terms, conditions, or obligations of the contract documents, the City may give the contractor written notice of such default and terminate the contract. 46. The Conditions and Instructions in this solicitation are intended to apply to the resulting contract and shall supersede any conflicting terms offered. Any additional conditions a bidder intends to be considered must be submitted with the bid as an exception. Such exceptions may result in a finding that the submittal is 'non-responsive' to the bid, negating possibility of an award to that bidder. Contractual documents submitted by the successful firm after an award will not be accepted.
47. Failure of the contractor to perform the contract by reason of the City's non-acceptance of additional conditions submitted after the award shall result in termination of the contract by the City, and may result in debarment of the contractor for a period of up to three (3) years. Termination and/or debarment of the contractor shall not constitute a waiver by the City of any other rights or remedies available to the City by law or contract.
48. **Records and Inspection:** The contractor shall maintain full and accurate records with respect to all matters covered under this contract, including, without limitation, accounting records, written policies and procedures, time records, telephone records, and any other supporting evidence used to memorialize, reflect, and substantiate charges or fees related to this contract. The City shall have access to such records from the effective date of this contract, for the duration of the contract, and for five (5) years after the date of final payment by the City to the contractor pursuant to this contract or any renewal or extension of this contract. The City's employees, agents or authorized representatives shall have access to the contractor's facilities, shall have access to all necessary records, and shall be provided adequate and appropriate work space, in order to conduct audits.
49. **Rights and Remedies Not Waived:** In no event shall the making by the City of any payment to the contractor, or the waiver by the City of any provision under this contract including any obligation of the contractor, constitute or be construed as a waiver by the City of any other provision, obligation, breach of covenant, or any default which may exist under this contract on the part of the contractor, and the making of any such payment by the City while any such breach or default exists shall not impair or prejudice any rights or remedies available to the City.
50. **Entire Agreement:** This contract and any additional or supplementary documents incorporated herein by reference contain all the terms and conditions agreed upon by the parties hereto, and no other agreements, oral or otherwise, regarding the subject matter of this contract or any part thereof shall have any validity or bind any of the parties hereto. This contract shall not be modified, altered, changed or amended unless in writing and signed by the parties hereto.
51. **Independent Contractor:** The contractor and any employees, agents, or other persons or entities acting on behalf of the contractor shall act in an independent capacity and not as officers, employees, or agents of the City.
52. **Scheduling and Delays:** The parties to any contract resultant of this solicitation acknowledge that all or part of the work to be performed hereunder may be delayed and extended at the option of the City. Such delays may be caused by delays, denials and modifications of the various state or federal permits, or for other reasons. The City shall not be required to pay any of the Contractor's direct or indirect costs, or claims for compensation, extended overhead, or other damage or consequential damages arising out of or related to any delays or interruptions required or ordered by the City. If the City delays the project for any reason for a continuous period of six (6) months or more, the City and Contractor will negotiate a mutually agreeable adjustment to the Contractor's award amount. **Notwithstanding the above, in construction contracts, to the extent that an unreasonable delay is caused by the acts or omissions of the City due to causes within the City's control, the above waiver or release shall not apply.**

COOPERATIVE BIDDING

The City of Newport News issues this Invitation for Bids (IFB) in accordance with the City of Newport News' procurement code (Section 2-552.1 (7), and on behalf of the members of the Southeastern Virginia Governmental Purchasing Cooperative (SVGPC), as well as other governmental jurisdictions and school divisions. This procurement is also being conducted on behalf of other public bodies, in accordance with § 2.2-4304 (A) of the Code of Virginia

Bidders are advised that all resultant contracts will be extended, with the authorization of the bidder, to other governmental jurisdictions and school divisions as may be interested. Should other entities decide to use the final contract, the contractor shall deal directly with that jurisdiction or political subdivision concerning the placement of orders, issuance of the purchase orders, contractual disputes, invoicing and payments. The City of Newport acts only as the “Contracting Agent” for these jurisdictions and political subdivisions. Failure to extend a contract to any jurisdiction will have no effect on consideration of your bid or offer.

It is the responsibility of the contractor to notify the jurisdictions and political subdivision of the availability of the contract. Each participating jurisdiction and political subdivisions has the option of executing a separate contract with the contractor. Such contracts may contain general terms and conditions unique to those jurisdictions and political subdivisions. If, when preparing such a contract, the general terms and conditions of a jurisdiction are unacceptable to the contractor, the contractor may withdraw its extension of the award to that jurisdiction.

The City of Newport News shall not be held liable for any costs or damages incurred by another jurisdiction as a result of any award extended to that jurisdiction or political subdivision by the contractor.

SVGPC members reserve the right to make awards to the lowest responsive and responsible bidder during the contract term. SVGPC members not explicitly named in the IFB are not obligated to participate, nor is the successful bidder obligated to contract with other SVGPC members; however, if such a contract is entered, the successful bidder will be required to provide these same items, at the same prices, awarded as a result of this solicitation to that public body.
