DEPARTMENT OF PUBLIC WORKS

## Fall Sale Happening Now!

Just in time to winterize your lawn and gardens!

**Compost** \$4.00 / cubic yard

Now is the perfect time to introduce soil amendments like our organic compost which has the US Composting Council's Seal of Testing Assurance Program seal of approval. Fall compost applications help decompose thatch, retain water, support healthy plant growth, and help plants fight diseases, pests and other stresses.

**Mulch** \$4.00 / cubic yard

Add a layer of quality mulch to your garden this season! Whether you need weed control, moisture retention, help maintaining soil temperature or for aesthetic appeal, mulch will help protect your garden this winter season.
